

CIVIL SOCIETY
WATER, SANITATION
AND HYGIENE FUND

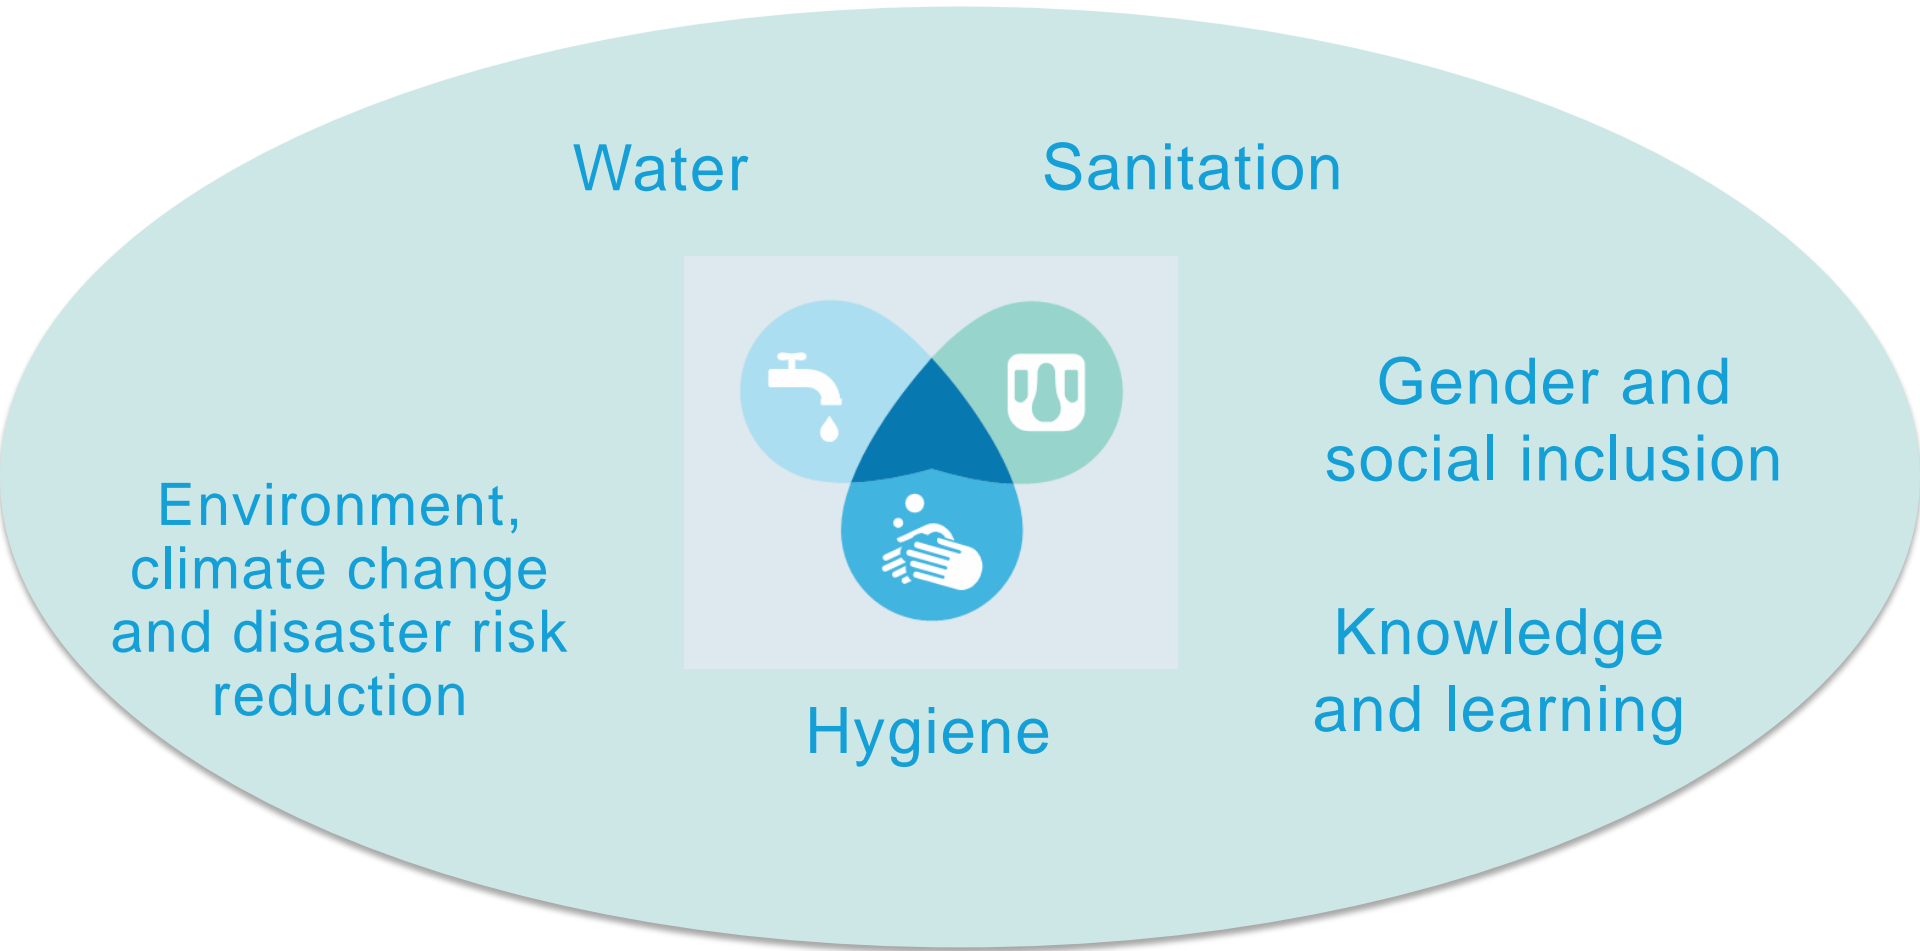

East Asia Regional Learning Event

Introduction and objectives

Bronwyn Powell | 7 July 2015

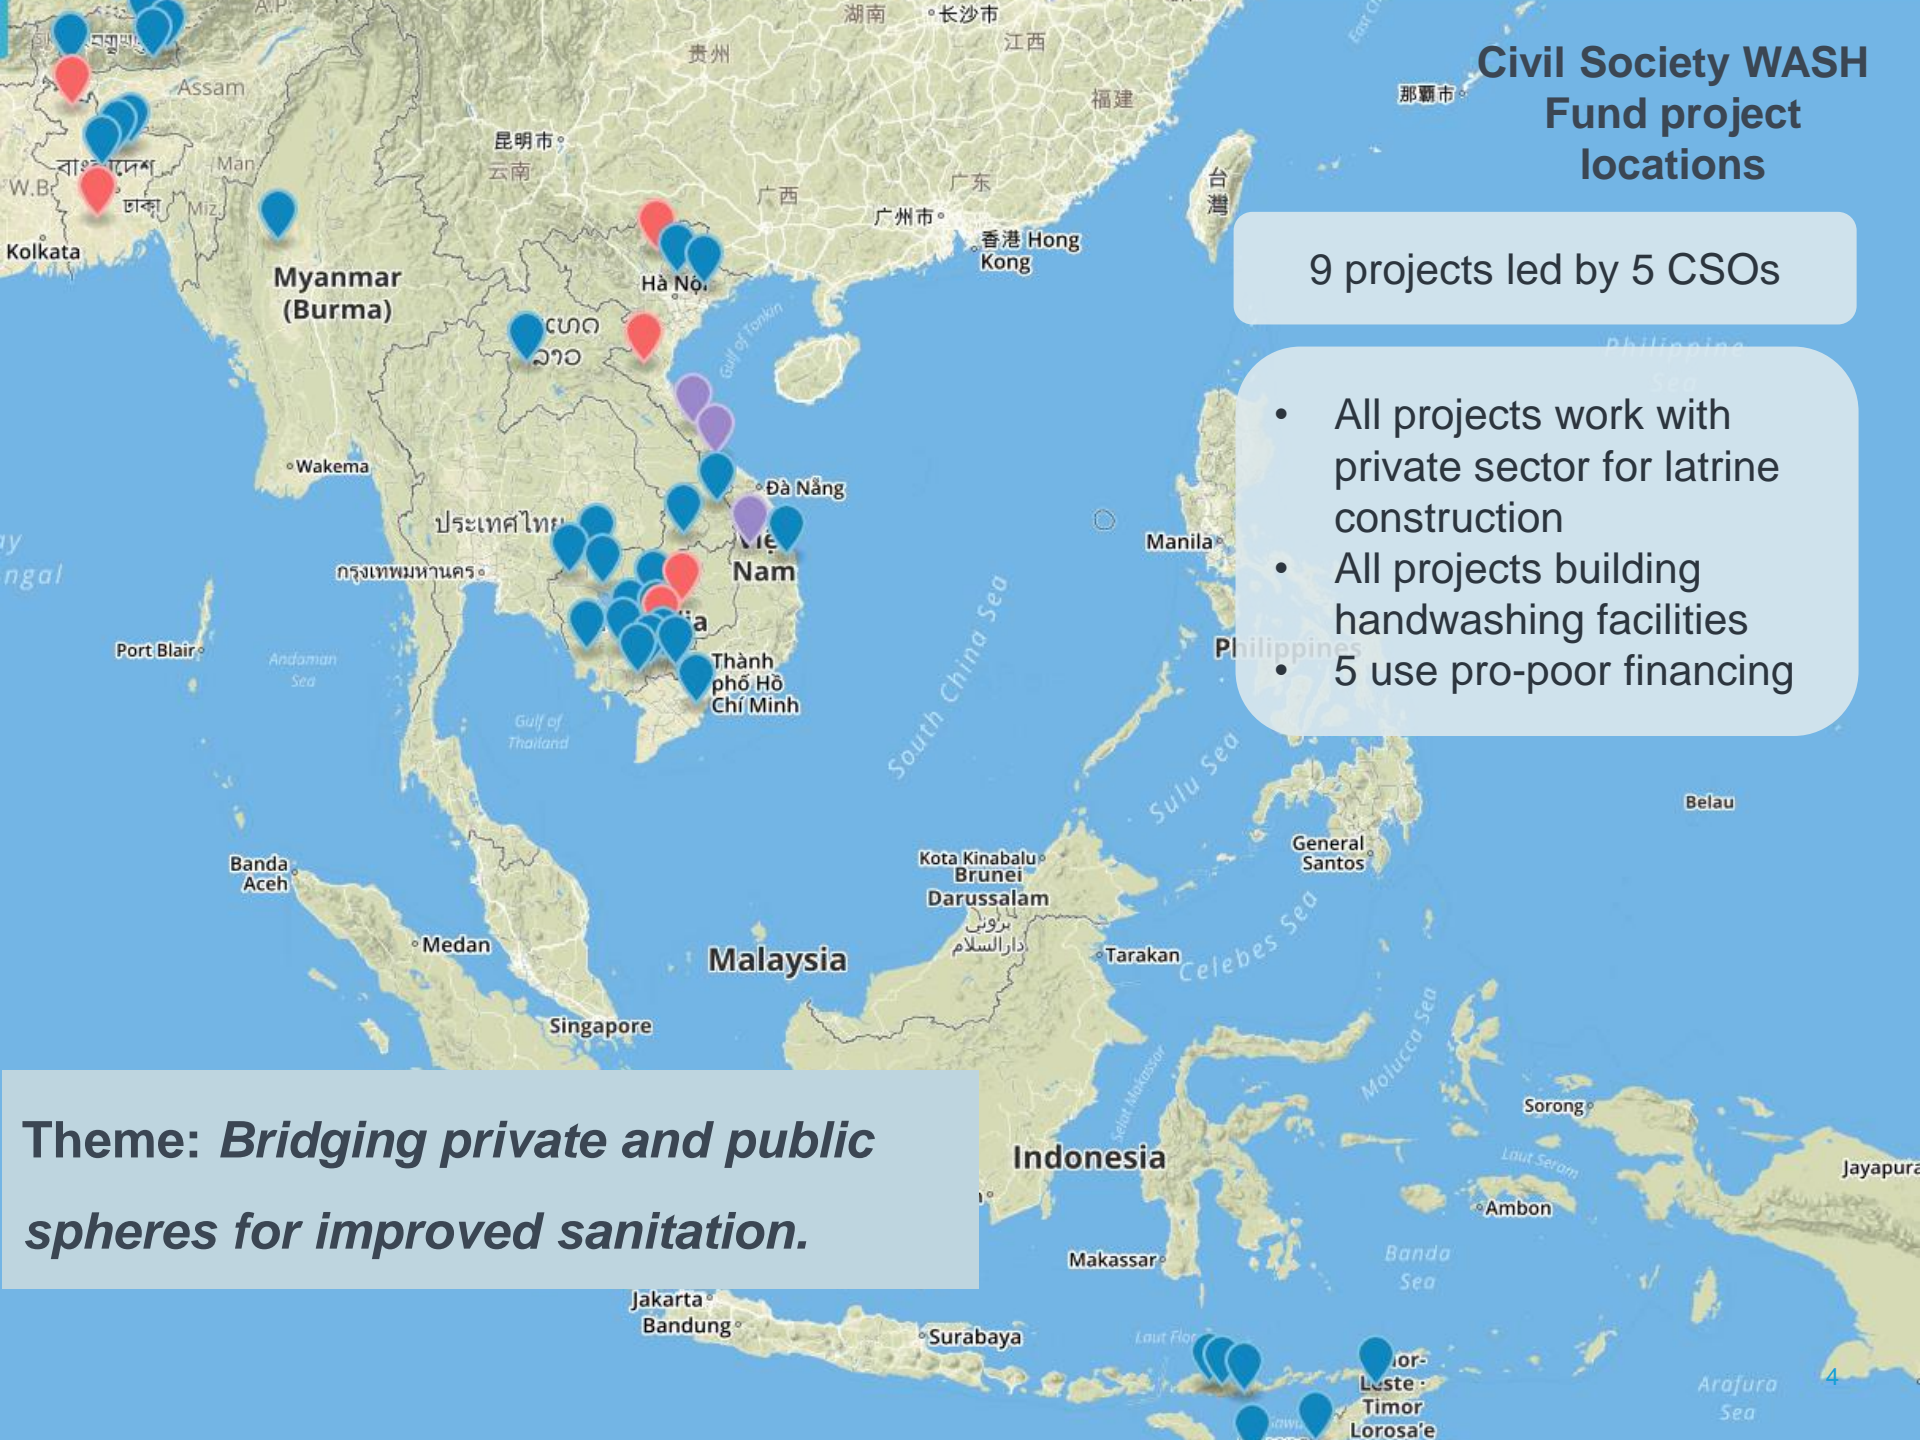

Holistic view of WASH

Civil Society WASH Fund project locations

9 projects led by 5 CSOs

- All projects work with private sector for latrine construction
- All projects building handwashing facilities
- 5 use pro-poor financing

Theme: *Bridging private and public spheres for improved sanitation.*

Thematic objectives

- Strengthen understanding of sanitation supply chains and sanitation marketing to achieving the goal of 100% hygienic sanitation
- Explore the value of other/additional approaches to extending access to sanitation, especially those that target poor and disadvantaged households
- Build awareness and capacity of Change Agents and CSOs to identify appropriate mixes of approaches for their contexts and the regulatory and policy frameworks required to foster these approaches.

Learning event objectives

- Improve projects with knowledge exchange and learning
- Strengthen relationships between CSOs, local government and change agents for collaboration and sharing
- Provide a forum for peer-to-peer learning within the Fund and with the wider WASH sector.

Phased learning approach

E-discussion

Webinar

Face-to-face

My Action Plan

- Set personal learning objectives
- New network or connection

A place to record...

- Key highlights and learnings
- Possible ideas to improve CS WASH Fund Projects
- Ideas for immediate follow-up
- Ideas to adopt on return

What should you do this week?

Connect and Capture

Ground rules

Making the most of our time together

- Mobile phones
- On time
- Active listening and respect
- Active participation
- Computers
- Have fun 😊
